What essentials in real estate does the astute purchaser look for?
Would it be...location, condition, maintenance, and investment growth?
Look no further, this is certainly a property that ticks all those boxes.
Location: 2 Bedroom unit one block to the centre of Colac's shopping precinct. Popular Lake Colac side of town, you can walk everywhere!
Condition : Refurbished throughout in neutral tones.
Re-painted with tasteful new carpets and curtains .
Maintenance: Low in maintenance, constructed in brick with tile roof.
Investment growth: Units have always been sought after north of Colac.
Appealing to most types of buyers.. empty nesters, retirees, investors plus also offering an affordable entry level for first home buyers.
