Cheap as chips!!

The owner is relocating so is genuine in his endeavor to sell, as the price reflects.

Solid as a rock, this is a property that has been owned and lovingly maintained for some 40 years by the current owner. Red brick construction, three bedrooms, two toilets, a recently updated central bathroom and gas appliances throughout it has loads of positives. This low maintenance brick home has an affordable price tag which will appeal to a first home buyer or alternatively make a perfect investment property. Sited on an allotment of approximately 530 m2, with a neatly manicured garden and two lock up garages there is plenty of scope to plant a vegie garden or simply enjoy the storage or garage options. Close proximity to Colac College and Recreation Centre and Blue Water Fitness Centre....You can pretty well set and forget with this one....
