Yours for the taking..

This charming Edwardian home will certainly tick all the boxes if you've been searching for a home retaining original character of its era. Not to mention that elusive forth bedroom? How about the secure "blank canvas" allotment of approximately 1000m2, which is just screaming out for that shed you have always wanted, which is easily accessed via the double garage/carport. Inside is impressive, as the lounge room is of large proportions and the gorgeous updated kitchen and dining area, has been a tasteful extension of only 10 years, blending in perfectly. Opportunity to acquire the already purchased ensuite fixtures and fittings, which with little effort, can be easily installed, adding immediate value, becoming a two bathroom property ! This home has too much to convey, so best take the time to view for yourself. Located handy to Kindergarten, Primary and IGA Supermarket.
