### Cute Cottage with Loads of Extras

Set on an approximately 800 sq m block is this cute north facing cottage of 2 bedrooms with a large outdoor entertaining area and a huge 9 x 6 m garage/ workshop.

Enter this home straight into a well-proportioned lounge with both gas heating and a reverse cycle air conditioner. The kitchen /dining room also has a split system with gas cooktop and electric oven in an original 50's kitchen in great condition. The bathroom has been updated in the past with a shower and new vanity.

Both bedrooms are of a good size for this style of home with large built in wardrobes.

Outdoor entertaining is catered for with an elevated covered area facing north at the rear of the home. The external laundry is attached to a storage area and there is a separate shed for your gardening needs.
