What a Charmer!

Not only has the current owner, when renovating this character home, been able to open up the kitchen/ dining/ living room but has also been able to create a wonderful parents retreat with ensuite and walk in robe. The bi fold doors opening onto the back deck give a wonderful entertaining space and incorporating the laundry into the main bathroom is genius in the use of the space without compromising luxury. The wiring, plumbing, insulation, floor coverings and some plaster have all been replaced along with new ducted heating, new bathroom, ensuite and kitchen. This home is like new from top to bottom. All you need to do now and is enjoy!
