All fresh and ready for the new owner

Don't judge this book by its cover..... looks really do deceive how spacious this home is...

Almost contemporary in design, this home has many lovely features that make it unusual in itself, which can only be appreciated upon an inspection.

Three very generous bedrooms, two comprising built in robes, the front lounge room and dining is heated by two split systems, and there is provision for a portable bottle gas heater for extra comfort.

Your brand new kitchen boasts plenty of storage, including a new electric stove, which adjoins the dining area.

The garden is a delight, with the added bonus of a rear shed for storage or can be converted into an entertaining space.

Located close to primary, secondary schools and occasional child care centre.
