This is as good as it gets!

Research proves to purchase a property in this 'blue chip' location is a rarity as the home has been in the same family for over 70 years.

Positioned in the most desirable location Colac has to offer, 26 Fyans Street is a very impressive address to call your own.

This home is located opposite the Botanical Gardens and close to the Catholic Church, Botanic Café, Lake Foreshore and walking distance to the CBD.

This 3 bedroom Victorian home retains many of its original features, being a green and pink stained glass entry way, pressed metal ceilings in some of the rooms and original fret work.

This home is screaming for the right person to bring it back to its former glory, with the option to extend (STCA) as the home is sited on an allotment of approximately 834 square metres.
