This amazing 8 year old, approximately 34 square home, is here, and awaiting a large family needing a spacious residence to call home. Large by all proportions, this home is sited on an allotment of approximately 1060 m2, of which offers plenty of scope to add that shed for the caravan or boat storage if needed.

The plan offers four very generous bedrooms, plus a study alcove. The larger than normal open plan living, dining, and family room, along with a formal lounge area, opens onto an outdoor entertaining area. The second living space, is ideally positioned between two bedrooms, along with a very convenient powder room. The central bathroom services these and the third bedroom.

The main bedroom is large on all counts, offering a spacious walk in ensuite, with wall to wall robes. The double garage offers convenient direct access into the home.
