Renovate or Detonate!

Previously this was a 'Bachelor Pad'. Located in the small township of Cororooke and only metres away from the general store, community hall and tennis court. This property may not be perfect but with a little bit of elbow grease and foresight, you could have your ideal home. Sited on approximately 1011 square metre allotment this property is yours for the taking. On offer is an open plan kitchen dining and living area, with the kitchen having gas stove and hotplates. The cosy cottage is warmed by a gas heater supplied by two gas bottles. Opposite the bedroom you will find the bathroom and laundry all in one. Step outside in to the back yard and you will be delighted to discover two detached powered bungalows, two garages and a work shed. The main cottage has been cladded which makes for low maintenance.
