This immaculately kept home will not disappoint!

Located in a quiet pocket of Elliminyt, this four bedroom brick veneer home has been meticulously maintained by its original owners, and has plenty to offer the next fortunate family. Not only do you have an open plan kitchen, meals and living space, you also have a formal dining area or second lounge area for the children. The home is warmed by a solid wood heater and the added bonus a large reverse cycle split system. The kitchen is appointed with electric hotplates and oven plus dishwasher. The master bedroom includes a walk in robe and ensuite. The main bathroom with a separate shower and bath is centrally located to the remaining three bedrooms. Car parking is plentiful with a one and a half car garage attached to the house with a remote controlled door. Sited at the rear of the 1152 square metre block is a 3 bay powered shed that is large enough to store your caravan or boat, plus a man cave with a pot belly stove to keep you warm while entertaining on the colder nights. The established and neat garden provides privacy from neighbours.
